Directions

- Print out file and let your child choose a board. (No two boards are the same.)
- Cut out the picture pieces on this page to square guidelines.
- Place the 24 pieces in a bowl.
- Draw out a piece and have your child mark each picture using coins, beans, rocks, etc.
- The first player to get 5 in a row: vertical, horizontal, or diagonal, wins.
- To play again. Clear the boards, place the pieces back in the bowl and start over.
